TSF Brakes India

About TSF Brakes India

Established in 1962, Brakes India is one of India's leading manufacturers of braking systems, with a strong legacy of engineering excellence and innovation. Part of the T S Santhanam family group, with roots in the erstwhile TVS Group, the company operates 15 manufacturing plants across India and serves customers across domestic and international markets.

Building on this legacy, Brakes India Aftermarket Exports offers a growing portfolio of automotive aftermarket products, under the REVIA brand, including Brake Pads, Brake Fluids, Coolants and Commercial Vehicle (CV) Linings. With a focus on quality, reliability and market-driven solutions, the business aims to meet the evolving needs of customers across global markets.

Combining decades of braking expertise with a commitment to product development and customer satisfaction, Brakes India Aftermarket Exports through its brand REVIA, continues to strengthen its international presence and deliver dependable solutions for the automotive aftermarket.

REVIA DISC BRAKE PADS

Engineered with proven friction technology, REVIA Disc Brake Pads deliver reliable braking performance, consistent efficiency and long-lasting durability. Developed to meet the demands of diverse driving conditions, they offer dependable braking response and stable performance throughout their service life.

Designed with a focus on quality, performance and reliability, REVIA Brake Pads provide effective friction characteristics, ensuring consistent braking operation across a wide range of passenger vehicle applications. Their robust construction and carefully engineered friction formulation support dependable performance while contributing to reduced wear and enhanced product longevity.

Combining proven technology with a commitment to quality, REVIA Disc Brake Pads offer a reliable braking solution for global aftermarket requirements, delivering confidence, consistency and performance on every journey.

FEATURES

- Engineered for Longevity
- Reliable Efficiency

NOTES

Brakes India

Established in 1962, Brakes India is one of India's leading manufacturers of braking systems, with a strong legacy of engineering excellence and innovation. Part of the T S Santhanam family group, with roots in the erstwhile TVS Group, the company operates 15 manufacturing plants across India and serves customers across domestic and international markets.

Building on this legacy, Brakes India Aftermarket Exports offers a growing portfolio of automotive aftermarket products, under the REVIA brand, including Brake Pads, Brake Fluids, Coolants and Commercial Vehicle (CV) Linings. With a focus on quality, reliability and market-driven solutions, the business aims to meet the evolving needs of customers across global markets.

Combining decades of braking expertise with a commitment to product development and customer satisfaction, Brakes India Aftermarket Exports through its brand REVIA, continues to strengthen its international presence and deliver dependable solutions for the automotive aftermarket.
